

Heart of the Hills Swim Club, Inc.

Dear Heart of the Hills Club members,

With the summer weather finally arriving, we hope you've been able to come out and take full advantage of the club! Just a brief note to highlight upcoming activities and Club events:

We are preparing to host the NSSL Swim League B Finals again this year, on Saturday July 18th at the Waterford Mott School indoor pool in Pontiac. This is a revenue-generating opportunity for the club, and we can use help in many areas – see the attached message for the background on the meet and specific needs and contacts for details. Also be sure to watch the website and swim team board at the club for updates. Thanks to all those who have already volunteered – we look forward to another successful meet!

Note: the club will be closed from 3 p.m. through the end of the day on Monday July 6th for the final home swim meet; and from 6 pm through the end of the day on Saturday July 11th for the adult party.

Some notes on upcoming events; additional details are on the website www.hhscswim.org:

Swim Lessons

Session 2 of swim lessons is now underway; there are still openings for classes in session 3, beginning July 13th – see the Swim Lessons page on the website for details.

Swim & Tennis Teams

The swim and tennis teams are in full swing; come help cheer on the teams for the upcoming home swim & tennis meets. See the website for schedules and details.

Adult Party

Join us for a night of music, dancing and socializing with your fellow members and friends, Saturday, July 11th from 7 - 11:30 pm. To keep the cost down, we are doing light appetizers only this year; please bring a dish to share if you'd like. BYOB (the pool will be closed). Hope to see you there!

Ice Cream Social

Stop by Monday evening, July 12th at 7:00 pm for another ice cream social for the kids.

Enjoy the rest of the summer!

Mike Wright
