

Heart of the Hills Swim Club, Inc.

July 2009

Dear Heart of the Hills Members,

On Saturday July 18, 2009, Heart of the Hills will again host the “B” Finals championship swim meet for the Northwest Suburban Swim League (NSSL) at Waterford Mott High School. Last year’s event was a big success and added much needed capital into the operating budgets of the swim team and general fund of the club. We look forward to an even better year this year!

This is a huge undertaking, one that will highlight our outstanding team and the graciousness of our membership. I hope I can count on all of you to support this effort in some way. We will need an army of volunteers before, during, and after the meet. Please e-mail Pat Krause at krausejeffpat@aol.com to volunteer; any amount of help is appreciated. We also need advertising to offset the costs of holding this event. If you would like to place a business ad in the swim program contact Karen Lavery at swimheart@gmail.com. We look forward to working with you on this fun and profitable project to benefit all of HHSC!

Sincerely,

Karen Lavery
B-Finals Meet Director
